**JULY DEMANDS
DAINTY DRINKS**

Mrs. Coe Gives Many Recipes for Preparing Hot Weather Beverages.

BY MRS. CAROLINE COE.

Hot weather is made more endurable if the housewife knows how to prepare many dainty cooling drinks. These may be served at meals, during the afternoon and evening, or to the chance guest. For the little informal porch parties that bring people together in a social way during the warm weather, some cool drink, as pleasing to the eye as it is to the palate, with a few modern cakes, are all the hostess need tax herself with in the way of refreshments, and make a delightful ending for a pleasant evening.

A cool appetizing drink makes just the thing with which to welcome home some of the family from a tiresome automobile trip or to serve to the guest upon his or her arrival if they have had a long, hot journey. The following recipes will be found satisfactory and easily prepared.

Lime Ice.
Use the juice of two limes and dissolve in it one tablespoon of sugar. Have glasses filled two-thirds full of shaved ice. Add the lime and sugar and ornament with either mint or maraschino cherries. Serve with straw.

Coffee Lemonade.
Use cold coffee in place of water in making lemonade. It is healthful and refreshing in hot weather.

Horse's Neck.
Peel a lemon as you do an apple and drop the peeling into a large tumbler. Add lump of ice and a bottle of ginger ale.

Nectar Cream.
Juice of half a lemon and one tablespoon of sugar. Add two or three lumps of ice. Mix well, allowing ice to melt. Add half teaspoonful carbonate of soda and drink while effervescing.

Grape Water.
Squeeze four pounds of grapes through a coarse cloth and add one-half cup of white sugar and one pint of water to the juice. Set on ice. Serve with crushed ice in glass.

Cocoa Mead.
One-half pound of sugar, one-half pound of oat meal, four ounces of cocoa. Mix well. Pour over this three quarts of boiling water and allow to cool and settle. Serve ice cold.

Oat Meal Bread.
Take one-half pound of sugar, one lemon juice and rind, one-half pound of oat meal. Pour over these three quarts of boiling water. Stir well and let settle. Drain and serve with lumps of ice.

Nectar Cream.
Put into a large glass one tablespoon of sugar and add the juice of half a lemon and a tiny bit of the peeling and one egg. Shake all together with a silver fork until light and foamy. Add two or three lumps of ice. Fill glass with seltzer and add a few berries on top.

Orangeade.
Boil one-quarter of a pound of loaf sugar with a pint of water (do not stir). When dissolved add the thin yellow rind of two small oranges and allow to stand two hours.

Strain the juice of four oranges and one lemon into a pitcher. Remove the rind from the syrup. Add to one and one-half pints of water and one pint of chopped ice. Stir all together and serve in lemonade glasses. Many people who cannot drink lemonade can drink this.

WORKED ON SUNDAY.
WINDFALL, Ind., July 9.—In order that a large supply of fresh peas might be canned before they spoiled, pastors of the three local churches agreed with the proprietor of the Royal canning factory to abandon services on Sunday and allow "ne church people to work in the factory."

DEMOCRATIC MEETING.
First and second ward meeting will be held at the Colfax school Michigan av. at 8 o'clock Thursday, July 10. Welcome to everybody.

**St. Mary's Grounds
Not Open to Public**

The authorities at St. Mary's have decided that hereafter the grounds of the institution will not be opened to the public.

Owing to the imposition of some persons who have been freely allowed the use of the grounds, this decision has become necessary. The speeding of automobiles, besides, being a menace to safety, has also aided in damaging the driveway and shrubbery.

Persons who have business with the institution, or have children in attendance there, will find no difficulty in enjoying the same privileges as in the past and they shall receive courteous attention at all times.

Visitor's Received

During the vacation months, visitors who wish to be shown through the buildings at St. Mary's will be accommodated on Tuesday's and Thursday's from 10 a. m. to 5 p. m.
